Welcome back to Term 4 - We hope everyone was able to enjoy some quality time over the school holiday period, making the most of the sunny days and finding lots of interesting ways to keep entertained indoors on the wet days. Term 4 is shaping up to be a very busy term so make sure that you note down all the diary dates on your calendar so that you don't miss out on anything important.

Euroa Show & Shine –Thank you to those who assisted with manning gates at the Euroa Show and Shine yesterday. For those who did the early shift, it was a very early shift seeing the day coincided with the start of daylight savings!!!! It was a great day and a great way to get our name out in the general public, so once again, thank you.

Division Athletics – The following students are competing at the Regional Athletics Carnival at Epping Athletics Centre tomorrow.

Tripple Jump – Charlotte and Ella
Discus & Shot Put – Hanah
100m & 200m – Ariana
12/13yr girls relay – Olivia, Ariana, Charlotte and Hanah
Long Jump & 200m – Patrick
100m - Harry

Enrolments – Enrolments are now being taken for 2023. If you know of anyone who may we wishing to enrol their child at Longwood Primary School please advise them to call into the school and pick up an enrolment form. Thank you.

Incoming Prep Transition -Transition dates for term 4 are Friday, October 14 to November 11 from

2.15pm – 3.30pm, then November 18 and 28 11.30am – 3.30pm and December 2 and 13 full days.

Parent Payment – School Council has set the voluntary parent payment at $230.00 per student for 2022. This payment covers the cost of all materials and books that students use at school. Payment can be made in cash/cheque to the office or by direct deposit to our bank account – 063-682 10025842. This amount can be paid in full or by instalment.

School council meeting – the next meeting of the school council will now be held on Wednesday 12th October at 6.00pm in the staffroom.

Student Information Update – It would be appreciated if the student detail update which was sent home the other week could be returned to us as soon as possible if there are any changes to be made. Thanks.

Thank you – to the Longwood Netball Club members who came along to school to give our students the opportunity to brush up on their netball skills. Hopefully sessions such as this will lead to more taking up the game in the future as they will feel more confident in their on-court skills.

Students discovered our resident lizard making the most of the warm sunshine while out exploring in the playground prior to the end of Term 3.

With Erin away for the last week of Term 3, Travis was teaching in the P-1 room. By the look of the heads down and focus on work they were wanting to show him just how smart they are and how well they can work independently!!!! 😊

SAVE THE DATE ...

itac

DID YOU KNOW?
Research shows that TAs have a negative impact on student progress when not trained properly. Why? Many reasons – one being that they focus on task completion instead of concept understanding. Learn research-based skills only at ITAC.
