What a huge first two weeks we've had! And there's no sign of much slowing down any time soon! **Breakfast Club** was a huge success last week and we look forward to seeing everyone again every **Wednesday morning at 8.30am!**

A big thank you to everyone who came to the ANZAC day service in Longwood, it was so lovely to see so many of our students paying respects to our fallen service men and women.

Cross Country is this Friday, please return your notes if you haven't already, indicating if you intend to drive your own child/ren. We need to make sure we have everyone accounted for so the sooner the notes come back the better!

The Grades 3-6's will be off to **Euroa Secondary College on Wednesday 29th May** for their annual experience day. This is a great day for students to see the high school and experience a few classes. The earlier our kids are exposed to the workings of the high school the better ☺. Students will be driven to and from ESC by Laura and Yvonne, a note will be coming your way shortly.

A note will also be coming out about an excursion to the **Bendigo Discovery Centre on Friday 31st May**. There will be a cost involved with this excursion to cover the cost of the bus. The school will be covering the cost of the educational program and entry into the Centre. The students will be doing a hands on lab about circuits which will tie in nicely with the work Laura has been doing in Inquiry.
