- 12<sup>th</sup> December – State Wide transition
- 15<sup>th</sup> December – End of Year Awards night
- 20<sup>th</sup> December – **Last day Term 4**

**Transition dates for 2024 foundation students** – Our transition program has commenced with sessions on October 24<sup>th</sup> and 31<sup>st</sup> from 2.15pm-3.15pm. Sessions on the 14<sup>th</sup> and 21<sup>st</sup> November will be half day sessions and then the 28<sup>th</sup> November and 5<sup>th</sup> December will be full day sessions leading up to the State Wide transition day on Tuesday 12<sup>th</sup> December.

**Parent Payment** – Thank you to those parents who have already made this payment, your support is greatly appreciated. Without this contribution we would not be able to provide the wonderful learning opportunities our students enjoy. We remind parents that whilst this payment is voluntary, it does go towards the cost of all materials and books that students use at school. Payment of \$230.00 per student can be made in cash/cheque to the office or by direct deposit to our bank account – 063-682 10025842. This amount can be paid in full or by instalment.

**Pub Raffle** – Our last date is the 17<sup>th</sup> November and we are looking for helpers to sell raffle tickets for the meat tray. Proceeds from these raffles go towards educational programs that benefit all students during the year. If you can help on any of these dates, please contact Rose or Travis.

**Science Works Excursion** – Students are heading off to Science Works on Wednesday 11<sup>th</sup> November for a fun day as they explore the interactive exhibitions and other experiences Science Works offer to extend curious minds of all ages.

In the P-1 room we have been very busy. For the last few Tuesdays, we have enjoyed the company of our 2024 prep students when they visit as part of our transition program. We have helped them play games, build towers, share stories and create beautiful insects so that they become more familiar with all that happens at school. At present they are only spending an hour with us but soon they will be coming for half day sessions where we will have lots more to teach them.

In maths we have been increasing our understanding of number concepts, especially using hundreds, tens and ones. We had great fun creating a graph of the heights of students in our class and our teachers. Mr S is definitely tallest and is nearly twice as big as our littlest person!!!!

Our Sporting Schools program this term focuses on golf and swimming. Today P-1 students were perfecting the art of putting. The swimming component of the program will take place at the end of this term at the Benalla Aquatic Centre.

*Could this be our next generation of golf champions!*

*Congratulations*

Congratulations to our weekly award winners. Looks like half the school has lined up this week for an award. Well done!

*In drama we  
made sock  
puppets and  
used them to  
perform  
plays.*
